

Premium Tie Tape

High performance plant training solutions

Plant training solutions for all your needs:

- **Vineyard**
- **Orchard**
- **Nursery**
- **Garden**
- **Farm**

Superior Performance for Plants

Field performance and laboratory testing prove: Ty·N·Gro has the best stretch and strength you can buy.

- Safely expands as plant grows – won't hinder growth
- Secure – knots stay tight
- Fast – rapid, easy application by hand or tying machine

Hassle-free Use for Growers

By the roll...

- **Color Core™** system means no more guessing the gauge of half-used rolls.
- **Color Core™** means the right tape for the job – every time!
- Tape gauge is also clearly printed inside every core – a secure back-up to **Color Core™** I.D.

Green = Light Blue = Medium
Yellow = Heavy Brown = Extra Heavy

Other brands

No way to guess the gauge of half used rolls

A Ty·N·Gro Exclusive

Color Cores™

Take the guesswork out of knowing the gauge of half-used rolls!

By the HandiStak™...

Shrink-wrapped **HandiStaks™** ensure that every roll stays rolled until you need it.

Handle loose rolls...

Or handle our HandiStak™

Ty·N·Gro's handy shrink wrapped **HandiStaks™** prevent unraveling and make handling easy.

By the carton...

Color coded cartons tell you at a glance what type of tape you have in stock. Bar codes provide quick and easy inventory.

A Ty·N·Gro Solution For Every Need

3 types to choose from...

- Hand Tie Tape (Green box)
- Embossed Machine Tape (Red box)
- Budding and Grafting Tape (Blue box)
